Thursday 30th November 2023

Dear Parents and Carers,

It is all go at Stubbins this week! We have welcomed a stealthy team of parents into school who have generously given their time to help prepare for the Christmas Fair. Again, if anyone is available to help next week on Tuesday or Wednesday, your help would be gratefully received!

The children have been busy practising their lines, ready for our annual Christmas performance. The letter regarding tickets will be sent out tomorrow. We know that this is always a cause of frustration for some parents who ideally would like more than the allocated 2 tickets. I know that you understand the reason for the allocation of tickets and I do sympathise with families who would like more. In a bid to try to help these families, we ask that you outline how many extra tickets you require, should any become available.

Another thankyou goes out to the parent volunteers who walked with our Reception children down to Ramsbottom fire station yesterday afternoon to finish off their unit of work- "People who help us". We would also like to thank the staff at Paul's Shop who welcomed our children in and allowed them to purchase items to help build their financial awareness! Reception also wish to thank the firefighters at Rawtenstall fire station, who brought their fire engine to school yesterday morning for the children to see!

This week, we held Key Stage assemblies by the NSPCC on "Speak out. Stay safe". This forms an integral part of our PSHCE curriculum and contributes to our school's commitment to safeguarding our pupils. The children engaged brilliantly and the children in years 2, 5 and 6 will get a further workshop in the coming weeks.

The term dates for next year have now been agreed and these are available on the school website. Please do try to consider these when booking holidays for next year. I have tried to add INSET days to half term breaks where possible to allow for holidays to be taken at a more cost efficient time. Remember it is now school policy to fine parents when pupils are taken out during term time for family holidays.

You may recall that a few weeks ago we held our first inclusion coffee afternoon. It was our first step to building a network to promote more inclusive practice in school. One of our parents has most helpfully signposted some excellent Christmas activities which have been attached to the newsletter.

Tomorrow we see the beginning of December. Our core value changes to **cooperation** and school ramps up a gear getting ready for our Christmas events. Please do ensure that you put these events in your diary as it is a really busy time!

If you have any questions, please do not hesitate to get in touch.

Mrs Cromey

Awards- Empathy

Parents and carers of these children may join us in assembly tomorrow morning at 9am.

Year R: Daisy Barrett

Year 1: Brooke Taylor

Year 2: Freya Kay

Year 3: Lyra Roberts
