Friday 2nd February 2024

Dear Parents and Carers,

What a week! It has been wonderful to see all the children (and staff!) dressed as Rock Stars on Thursday for our RockKidz Day. Not only was the session high energy and great fun, it also communicated strong messages around self belief- YASBA! YOU'RE AWESOME SO BE AWESOME! Thank you to the school council for funding this super day! We hope you enjoyed watching the videos of the fun we had on ClassDojo.

This week we have launched our new core value of INDEPENDENCE. During assembly we explored this theme further and looked at how we can be more independent in class. Each class received a poster to display which contains the 5Bs to promote this value. It was lovely to hear in Celebration Assembly this morning how quickly children have picked this up and are using this approach already!

I have received a lovely letter from Derian House, thanking us for our kind donations from our Christmas performance. So I wish to pass on these thanks to our wider school community- Thankyou!

We have also welcomed Rev Stephen Crook into school this week. He is the new minister at Christ Church Ramsbottom and he has spoken with Year 3s on their RE topic this half term. I have subsequently received a lovely email from him, thanking the school for being so welcoming and congratulating us on what a wonderful year group our Year 3s are- always wonderful to get such lovely feedback.

We have received a set of free tickets for "Wild Boar Park" for over half term. We have circulated these across school- so please check your child' bag if this is something you may be interested in.

We finish for half term next Friday and school will again be hosting Quality Sports. You can book on these flexible sessions via their website.

As always, if you have any questions, please do not hesitate to get in touch. Mrs Cromeey
