

Stubbins
Primary School

Newsletter

Friday 8th March 2024

Dear Parents and Guardians,

I hope this newsletter finds you well and that you have had a fantastic week. I am delighted to share some exciting updates from Stubbins Primary School.

Firstly, I would like to extend my heartfelt congratulations to all the children who participated in the vocabulary parade during Book Week. The creativity and effort put into their costumes were truly remarkable. It was a joy to see the school buzzing with enthusiasm as the children engaged in various activities throughout the day on Thursday. Well done, everyone!

As we bid farewell to Book Week, we eagerly look forward to the upcoming Science Week. I am excited to witness the scientific exploration and discovery that our students will undertake. Don't forget to capture those science selfies and share them with us. Let's continue fostering curiosity and nurturing our young scientists!

In other news, I would like to commend our year 6 girls for their exceptional performance at the recent badminton tournament- we look forward to seeing how they perform at the finals next week! They represented our school with great skill and sportsmanship, making us all proud. Similarly, we celebrated National Girls' Football Day in school, empowering our female students to showcase their talents on the field. Well done, girls!

I would like to express my gratitude to all the parents who attended the recent parent forum on communication. Your active involvement is invaluable in strengthening the partnership between home and school. As part of this, we discussed this newsletter and I am going to be piloting a new format in the coming weeks, which is more friendly to view on smartphones and tablets- feedback will be welcomed on preference of format.

I am delighted to inform you that the website has undergone a reorganization. It now contains up-to-date and relevant information that will assist you in staying informed about school events, policies, and important announcements. Please take a moment to explore the website and familiarize yourself with the new layout.

You will have seen from the dates for your diary and ClassDojo that Parents Meetings are scheduled for Wednesday 20th March. We are also holding an EGM for our PTA on this date. If you are interested in taking a committee role on our PTA, please do return a form to the main office at your earliest convenience. I am sure that you are well aware of the pressures on school budgets and the fundraising that the PTA undertakes adds much needed funds into the school.

Thank you for your continued support and involvement in our school community. Together, we can provide the best educational experience for our children. If you have any questions or concerns, please do not hesitate to reach out to us.

Warm regards, J Cromey

Awards- Curiosity
