

Stubbins
Primary School

Newsletter

Friday 15th March 2024

Dear Parents and Carers

I hope this newsletter finds you well and that you are enjoying the arrival of spring, the daffodils on the drive are a reminder that longer and sunnier days are on their way! It is always a pleasure to update you on the recent happenings at Stubbins Primary School, and there are certainly some exciting events and achievements to share.

Firstly, I would like to say a massive "well done!" to all the pupils who participated in our assessment week. Their hard work and dedication were evident, and we look forward to sharing their results with you at the upcoming parent conferences. These conferences provide an excellent opportunity for us to discuss your child's progress and set goals for the upcoming term. Please ensure you book your slot to ensure you are fully informed about your child's academic journey. We do realise that the slots offered may not suit all families, please do contact us if this is the case and we can try to accommodate on an alternative date and time.

In the spirit of the season, we are thrilled that we will be hosting an Easter bingo event. This is a new venture for Stubbins and should be a fun-filled activity. Tickets are now available for purchase, and I encourage you to join us!

It is heartening to see the diversity within our school, and we would like to acknowledge those pupils who have been fasting for Ramadan. We commend their dedication and resilience during this holy month. We continue to provide support and understanding to ensure their well-being during this time.

Our Year One class have been working diligently to prepare for their class assembly. This was a fantastic opportunity for our youngest learners to showcase their talents and hard work. I for one, learned an awful lot about hot and cold places! Thank you also to the parents, who were able to remain in school afterwards for the short phonic workshop linked to the upcoming phonic screen for Year 1 pupils. If any parents were unable to attend this session and would like details of the workshop, please contact Mr Robinson, who can provide further detail.

Lastly, I would like to congratulate our girls' badminton team on reaching the final AND WINNING! Their commitment to teamwork and sportsmanship has been exceptional, and we are immensely proud of their achievements. To have members of the public approaching our staff to comment on the girls' sporting attitudes is just fantastic and I am immensely proud of them.

Finally, I would like to express my gratitude for your continued support and involvement in our school community. Your participation enriches the experiences of our students and contributes to their overall success. If you have any questions or concerns, please do not hesitate to reach out to us.

Wishing you a pleasant and restful weekend.

Warm regards, J Cromey

Awards- Curiosity

Year R: Austin Pearce

Year 1: Lucas Houghton

Year 2: Arlo Armstrong

Year 3: Correy Iddon

Year 4: Alba Armstrong

Year 5: Elliott Davies

Year 6: Archie Armstrong

Awards- Lunchtime VIP

Year R: Stanley Schofield

Year 1: Siena Hardy

Year 2: Bobby Jones
