

Stubbins
Primary School

Newsletter

Friday 22nd March 2024

Dear Parents and Carers

I hope this newsletter finds you well. I am writing to update you on the recent happenings at Stubbins Primary School.

Last Friday, we had an amazing science fair in celebration of science week. The students showcased their fantastic home science projects, and I would like to extend my heartfelt thanks to all the parents for their support in making this event a success. This event focused on our school's core value of curiosity- and we saw this in abundance!

It was a pleasure to see so many parents attending the parent conferences. In an effort to cater to everyone's needs, we have been trying to offer more varied time slots. However, if you haven't been able to make an appointment, please do get in touch with us, and we will do our best to accommodate you.

We recently held the voting for our new PTA committee, and I would like to express my gratitude to the parents who took the time to participate. We have received some great ideas for fundraisers through ClassDojo, and I encourage you to keep them coming. Fundraising plays a vital role in supporting our school, especially at the moment.

On Thursday, we had a wonderful music assembly to celebrate our talented musicians. It was a testament to their courage, confidence, and determination.

Also in sporting news, well done to all the boys and girls who took part in the school's Table Tennis tournaments this week. As always, they represented Stubbins brilliantly.

I would like to remind you about a few upcoming events and notices. Next week, we will be hosting Easter Bingo on Tuesday, and we are still in need of parent volunteers to help make this event enjoyable for everyone. If you are available, please contact the school office or myself via ClassDojo.

Starting from April 15th, there will be a new school menu in operation. Your child should have brought home a copy today. Additionally, I would like to remind you to set up your parent pay accounts, even if your child does not have school meals. Beginning in September, all school payments, including trips, will be transitioning to this method. If you need a duplicate set of instructions to set up your account, please contact Mrs Delafield who will be able to assist.

Thank you for your continued support and involvement in our school community. If you have any questions or concerns, please do not hesitate to reach out. Wishing you a pleasant and restful weekend.

Warm regards, J Cromey

Mrs Cromey

Awards- Curiosity

Year R: Jim Havers

Year 1: Teddy Rouine

Year 2: Faye Wright

Year 3: Harry Oldham

Year 4: Nelson Rawcliffe

Year 5: Miles Salisbury
